

Skip-a-Payment Program **

Mt. Rainier FCU is offering you the opportunity to skip your installment loan payment. You can enjoy a month without having to make your loan payment. Use the extra funds to catch up on other bills, splurge on shopping, or take a vacation-whatever you want!

Simply fill out the application below, sign and return it to the Credit Union along with the processing fee.

You agree and understand that: 1) Interest will continue to accrue at the rate provided in your original loan agreement and will result in your having to pay a higher total of interest than if you made your payment(s) as originally scheduled: 2) The payment deferral will extend the terms of your loan(s) past the original maturity date and you will have to make extra payment(s) after your loan(s) would otherwise be paid off: 3) You will be required to resume your payments the following month: 4) If you elected GAP Insurance, the coverage will not be extended beyond the original maturity date: 5) Your loan(s) must be current (have no amount past due) to accept this offer. All deferrals are subject to Mt. Rainier FCU's approval.
